

CHECK LIST

Orders and quotations

Before submitting your order, please ensure that it contains all the following information. An incomplete order or one with missing information may be delayed in the production schedule. To avoid delivery delays, please ensure that your order contains all the necessary elements.

Counters, cutting boards and shelves

- ☐ Type of grain (Edge grain, end grain or panels)
- ☐ Specie
- ☐ Quantity of item
- ☐ Dimensions (thickness, width and length)
- ☐ Indicate grain direction on piece
- ☐ Is the piece visible from above/below (B4F)
- ☐ Exposed edges
 - All
 - Front
 - Back
 - Left
 - Right
- ☐ Does the piece have an unsupported section (cantilever)? If yes, indicate type depth of the cantilever.
- ☐ Type of finish
 - Mineral oil (cutting boards only up to 36"x48")
 - Rubio oil
 - Epoxy and oil
 - Varnish
 - No finish
- ☐ Profiles
 - TP-02
 - TP-05 (radius 1/8)
 - TP-06 (radius 1/4)
 - TP-07 (radius 1 /2)
 - TP-08 (radius 5/8)
 - TP-09 (radius 3/4)
 - TP-11
 - TP-20
 - TP-25
 - Broken edge
 - None
 - Other

- ☐ Cutout
 - Polished (with epoxy for undermount sink)
 - Unpolished
- ☐ Type of top assembly
 - 45 degree bolt joint (assembled or pre-assembled)
 - 90 degree bolt joint (assembled or pre-assembled)
- ☐ Type of legs assembly
 - 45 degree (assembled or pre-assembled)
 - 90 degree (assembled or pre-assembled)
 - Mechanical assembly (assembled or pre-assembled)
 - Straight tail
- ☐ Shelf: indicate whether floating shelf machining is required. You must indicate the dimensions of the machining required.
- ☐ Fixed-width panels: indicate the desired width if this is the case.
- ☐ Bib on a small table: indicate the dimensions required for the bib.
- ☐ Attach a drawing if the piece includes at least one option (cantilever, cut-out, assembly, shelf, bib).

Moldings

- ☐ Model number
- ☐ Specie
- ☐ Quantity of item
- ☐ Length
 - Fixed length (indicate number and length required e.g. 2x 96 inches)
 - Variable length (indicate total number of linear feet e.g. 200 pl)
- ☐ Grade if specific
 - Painted
 - Rustic
 - Colored
- ☐ Brushed (only for the following species: white oak, white oak RQ, red oak, red oak RQ, white ash)
- ☐ Modification to standard moulding model (indicate size changes)
- ☐ New moulding model to be created (indicate visible edges and dimensions)
- ☐ Please attach a drawing if you are requesting changes to the model or a new model.

Squares :

- ☐ Specie
- ☐ Quantity of item
- ☐ Thickness
- ☐ Width
- ☐ Length
 - Fixed length (indicate number and length required e.g. 2x 96 inches)
 - Variable length (indicate total number of linear feet e.g. 200 pl)
- ☐ Brushed (only for the following species: white oak, white oak RQ, red oak, red oak RQ, white ash)
- ☐ Exposed edges

Legs

- ☐ Model number
- ☐ Specie
- ☐ Quantity of item
- ☐ Length
- ☐ Modification to standard leg model (indicate dimensional changes)
- ☐ Identify quantity of left leg and right leg
- ☐ If machining is part of the product, indicate the depth and dimensions of the machining, as well as the type of machining (round or square).
- ☐ Attach a drawing if modifications to the model are requested.

Drawers

- ☐ Drawer type
 - Round (TR)
 - Square (TC)
- ☐ Specie
- ☐ Quantity of item
- ☐ Dimensions (height, width and depth)
- ☐ Logo (if yes, please specify logo name/file, logo position and quantity of logo 1 or 2)
- ☐ Varnish
- ☐ Clips
 - Movento
 - Tandem Blum
 - Hettich 5D
 - Hettich 4D
- ☐ Special bottoms
 - Flush bottom
 - No bottom
- ☐ Indicate if front is visible
- ☐ Groove for front glide
 - C4
 - C10

- ☐ Groove for rear glide
 - C2
 - C5
 - C6
 - C30
- ☐ Groove for front and rear glide
 - C54
 - C40
- ☐ Special groove
 - C1
 - C11
 - C12
 - C19
- ☐ Handles
 - Non-standard handle
 - Oval side handle
 - C14
 - C15
 - C17
 - C18
 - C16
 - E2
 - P1
- ☐ Removables dividers
 - DCOA
 - DCOB
 - DCOC
 - Custom
- ☐ Fixed dividers (indicate quantity)
- ☐ Special drawers
 - V shaped drawer
 - Plumbing concealing drawer
 - Bombe drawer
 - Bread box
 - Multi-level drawer
 - Oil and spices drawer (specify panel dimensions - thickness, width and length)
 - Custom
- ☐ Accessories
 - Knife bloc (indicate dimensions - thickness, width, depth, number of knives)
 - Spice rack (4 tiers)
 - Wooden divider block (specify for small or large utensils for each divider)
- ☐ Sides of different height (e.g. front 4", back 3 7/8")
- ☐ Attach a drawing if an option is selected (other than logo, varnish or clips)

Steps

- ☐ Product type
 - Square step
 - Angled step
 - Counter step
 - False stringer
 - Nozing
 - Custom
- ☐ Specie
 - White oak
 - White oak RQ
 - Red oak
 - Cherry
 - Maple
 - Colored maple
 - Hickory
 - Cherry
 - Red birch
 - Walnut
- ☐ Quantity of item
- ☐ Dimensions (thickness, width, length)
- ☐ Profiles
 - TP-05 (radius 1/8)
 - TP-06 (radius 1/4)
 - TP-07 (radius 1 /2)
 - TP-08 (radius 5/8)
 - TP-09 (radius 3/4)
 - Broken edge
 - Nosing
 - None
- ☐ Indicate whether the item is visible from above or below
- ☐ Specify the type of support on which the step will be placed (indicate dimensions)
- ☐ Attach a drawing if the item has any special features

CHECK LIST

Drawings

If a drawing is required as part of your order or quotation, please be sure to include all of the following items to avoid delays in the delivery of your order.

- ☐ **All item dimensions** in inches or millimeters
- ☐ All required assemblies
- ☐ Precise dimensions of cut-outs or templates in .DXF format (sink, plate, etc.)
- ☐ Include depths of cut-outs or notches.
- ☐ Unsupported sections (with dimensions)
- ☐ All visible edges
- ☐ Special corners, if any
- ☐ Radius if item has curves
- ☐ Wood grain direction desired
